**DEFENDANTS' MOTION TO FILE EXCESS PAGES**

Defendants request the court allow them to file ten (10) additional pages in its Brief in Support of Summary Judgment. In support of their motion, Defendants state as follows:

1. In this case, Plaintiff has alleged Defendants discriminated against her in multiple aspects of her employment. Plaintiff alleges Defendants discriminated against her in her pay, promotional opportunities, work assignments, as well as other aspects of her employment. Plaintiff also alleges Defendants retaliated against her and constructively discharged her.

2. The Parties have exchanged thousands of documents and there have been eight (8) depositions taken. Based upon this voluminous evidence, there are

an extensive amount of undisputed facts that pertain to Plaintiff's claims and that, together with record citations, will take several pages to appropriately inform the Court.

3. Defendants are seeking summary judgment on all of Plaintiff's claims.
4. The court's initial order limits briefs accompanying motions to 30 pages. (Doc. 5, p. 8)
5. Defendants need additional pages to adequately address all the relevant facts and arguments which support summary judgment of Plaintiff's claims. Thus, Defendants request an additional ten (10) pages for its Brief in Support of Summary Judgment.

WHEREFORE, Defendants request the court permit Defendants' ten (10) additional pages for its Brief in Support of Summary Judgment.

Respectfully submitted this the 8th day of May 2024.
